

## UNMANAGED PRAIRIE DOG COLONY – COMPLAINT FORM

Each person who owns or controls property within Box Butte County has a duty to effectively manage colonies present upon his, her, or its property to prevent the expansion of colonies to adjacent property unless the owner of adjoining land consents **in writing** to the expansion of such colonies onto their property.

This form is for an adjoining landowner to make a formal complaint that a prairie dog colony has encroached on their land, or that colonization onto their land will occur unless management of the colony is taken. These terms are defined in the Box Butte County Prairie Dog Management Plan,

The complaint form must be filled out and include the name and contact information for the complainant, a legal description of the property containing the colony, and must include either:  
 1) an aerial photo of the colony, or  
 2) other sufficient supporting evidence to show that there is an infestation which is not being managed.

This form and all supporting documents should be submitted by email or U.S. Mail to the:

Box Butte County Weed Superintendent  
 PO Box 678  
 Alliance, NE 69301
